Farewell to the care-free days of summer—bike rides, outdoor concerts, practicing at home with windows open. Our Milwaukee Chapter began the ’17-18 year with a potluck supper/officer installation this past Monday at Our Savior’s Lutheran. Many thanks to David and Joan Totten for their hospitality in preparing the nartex. The congregation uses this area for Sunday morning coffee hour and it was just right for our gathering. Chuckle... Thanks be to God who guides the potluck menu each year. Organist John Seboldt played the prelude (Brother James Air/Searle Wright), hymns and postlude (Prelude in B minor BWV 544/J. S. Bach) for the installation service. Kudos to John. His work-related fall from a ladder and back surgery have led to extensive rehabilitation and this opportunity to play before colleagues provided a challenge. Keep on truckin’ John. We wish you many fruitful hours on the bench in your continued recovery.

Doors Open Milwaukee (http://www.doorsopenmilwaukee.org) is scheduled for the weekend of September 23-24. Board member—Rick Ewert coordinates organists to play and answer questions at the sacred sites that are open for tours. If you are willing to share your expertise please email Rick at rewert@gmail.com or call him (262) 289-9333. The general schedule covers Saturday/Sunday from 10am-5pm though each site adapts that framework to its own needs. Through this event we want to reach a broader demographic than we normally have available to us. One never knows if someone who stops to ask a question could be a future student or support our art in some other way.

On a personal note—I enjoyed playing three half-hour recitals with Tom Macaluso, a trombone student at UW-Madison. Within a nine-day span in early August we played at the Cathedral of St. John the Evangelist, St. Joseph Convent Chapel and for a new series in Port Washington (John XXIII Parish/the old St. Mary’s in Port) coordinated by board member—Tim Handle. To play three varied instruments and acoustics (4-manual Noehren/Nichols & Simpson, 3-manual Casavant and 2-manual Berghaus tracker) was an interesting challenge. When Tom said yes to these concerts I don’t think he had any idea what he would address as a soloist and I treasure his response to each instrument.

Some of this material, with Tom on trombone, will be included in a Fall Madison ensemble recital as I work my way through the doctorate program at UW-Madison. The organ solo accompaniment to the Vaughan Williams Five Mystical Songs (bass-baritone soloist Benjamin Schulz) and a baroque vocal work or two will fill out the program. I can’t believe that I’m almost half-way through the program with 60 required credits completed and 3 of 5 recitals by Christmas 2017. Ten years ago I never dreamed I would be doing this and I am so very grateful for the opportunity.

As we approach end-of-year giving here is a timely note from David Beyer regarding receipts for donations: [at the AGO Milwaukee Chapter Web-Site http://agomilwaukee.org/] “Members can always print a receipt for their own donations by opening their own Member file and click ‘Donations’ tab to reveal any/all gifts documented to date. Clicking on any donation listed opens page with the receipt option for printing. I previously recommended this protocol to all members needing receipts for tax purposes.” If you don’t have access to a computer/haven’t kept your snail mail receipt from Steve Jensen, call me/Sheri at (414) 403-1046 and we’ll make sure you receive a hard-copy receipt.

October 1st Reformation Sampler will arrive before the next issue of Pienotes. Audrey Rhinehart (rhinehartar@archmil.org work phone: (262) 673-4831 X405) needs assistance with performers, hospitality and reception finger-food. Our event takes place in Wauwatosa on Sunday October 1st from 4-8pm. It is a multiple site/performance plan among St. Matthew’s Lutheran, Wauwatosa Methodist, Trinity Episcopal and St. Bernard’s Catholic. Numerous choral groups will participate but we really NEED YOU in any way that you can muster. Pray for good weather.

As we approach colorful leaf and apple cider weather I wish you a fine opening to your choir year. May you have more basses, a plethora of tenors and a gaggle of altos/sopranos — all of whom read music superbly and watch the director (in your dreams). I chuckled at a recent solar eclipse meme on Facebook that read: “No problem with eye damage from the eclipse, my choir never looks up.” Truly, I pray that you are blessed with a watchful, attentive choir this year and always!

Cordially,

Sheri
